

## Funding Parental Agreement All Ages 2025-6

In order for us to claim the Nursery Education Funding for your child you must complete and acknowledge/sign this form which establishes that you know and understand the choices you have been offered and the responsibilities and obligations that come with that choice. It does not affect your statutory rights as parent or guardian.

Nursery Education Funding is provided for just 38 weeks of the year. It may be delivered over more weeks at fewer hours per week and there is a maximum of 10 hours allowed in any one day.

38 week term dates

## **Funded Places Terms & Conditions**

1. A waiting list operates for all of our places and where we are offering funded only hours then we have to optimally plan our places for these. See Admissions and Waiting List Policy for more information.
2. Additional private paid hours do not have to be taken in order to access funded hours. Any additional hours taken will be charged at the relevant rate shown in the fees list.
3. Funding is not intended to cover the cost of food, consumables, enrichment activities and additional hours.
4. At our nursery we offer a range of funded patterns including enhanced all-inclusive patterns and funded only patterns with and without food, consumables and additional activities added. You cannot mix patterns between days attended.
5. You can choose which sessions to attend from our attendance patterns and on what basis: basic, enhanced or basic with additional enhancements. You will sign below to confirm this choice and agree to this throughout your attendance with us, unless you change the pattern of attendance as per clause 6.
6. If you do wish to change your funded only attendance pattern at any time then one term's notice must be provided for this to occur. Private patterns require one month's notice.
7. Should the nursery not be able to claim funding or have funding withdrawn for any reason e.g. incorrect information, non-attendance, claiming at more than one setting or leaving before the Local Authority Headcount date, then you agree to pay any fees that are due at the nursery's private rate.
8. You agree to the nursery being able to apply to the Local Authority to claim for any additional funding as appropriate to support economic and inclusive practice such as EYPP, DAF and specific inclusion or high needs funding and will provide all relevant details to allow this to happen (NI Numbers and DOB for parents living with the child).
9. If you are claiming Working Families Entitlement for the Expanded or Extended 30 hours funding then you will be required to set-up a childcare account and obtain an Eligibility Code at [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk). This must be re-confirmed every 3 months with HMRC. Should you lose your eligibility, you agree to pay private fees for any period not covered by the funding claim. NB: There is an HMRC fine to pay from £300-£3000 for a false claim for funding.
10. Should your Eligibility Code lapse and you move into a Grace Period for some or all of your funded hours e.g. you become eligible for only 15 hours as a 3yr old, then you agree to pay the remainder of any non-funded fees at the relevant rate shown in the fees list on a private basis.
11. If you are unable to pay the private fees due to a change in eligibility or personal circumstances, then you may be asked to change your hours or days in order to ensure our places remain optimally filled with a change in pattern.

12. I confirm I am eligible for

- ☐ 15 hours for government supported two year olds
- ☐ 15 hours for three and four year old Universal Entitlement
- ☐ 30 hours Working Families entitlement for 9 months and above
- ☐ Disability Access Fund i.e. in receipt of DLA
- ☐ Early Years Pupil Premium\*
